## REFERRAL PROGRAM

The **FOOD-TRAK® Referral Program** has been designed to reward our existing users for their assistance in spreading the word about the many benefits of the FOOD-TRAK system. We know that many of you have relationships with colleagues at other organizations similar to yours or perhaps attended professional schools with other potential users. To show our appreciation for your efforts on our behalf, the program will award a \$250 cash bonus for every sale completed as the result of your referral. Help your colleagues join more than 10,000 clients since 1980 that control their food and beverage costs with the FOOD-TRAK system!

**How IT WORKS** It's easy to participate! Simply enter your contact information and register your referral(s) right on our website. There is no limit to the number of referrals you can enter, however, only one contact per company will be accepted. Once your referral entry is approved, you have 90 days to establish contact with your referral source and get them in touch with an SCI sales representative. Successful referrals will be paid \$250 at the conclusion of the FOOD-TRAK installation.
